[2022/07/08 14:54:30] Mr. Senet (Senet Blackburn): Everytime someone says Bonjour, I think of Madaline Kahns, Willkommen, Bonvenue, Welcome..... from Blazing Saddles.

[2022/07/08 14:55:07] Ariadne Fall: that's funny! her schtick there is a send up of another thing

[2022/07/08 14:55:14] Mr. Senet (Senet Blackburn): indeed

[2022/07/08 14:56:02] Ariadne Fall: its fun and timey wimey too, a sort of easter egg from 'cabaret' in blazing saddles

[2022/07/08 15:03:44] Píxí (Destimona): Hey Kippy :)

[2022/07/08 15:04:08] Ariadne Fall: Hi!

[2022/07/08 15:04:45] Melonny (Melonnyvix): Hi :)

[2022/07/08 15:05:26] Ariadne Fall: ok!

[2022/07/08 15:05:27] Ariadne Fall: /me claps

[2022/07/08 15:05:58] Ariadne Fall: Our first responsibility is to the Sci-Fi Convention as part of the Relay For Life, we affirm our Commitment and that any threats or impulses to "rage quit" are counterproductive and hurt the Event and the Visitors.

Should we have a formal 'Swearing In' where we take an oath and sacrifice a prim?

[2022/07/08 15:05:59] Ito Naminosaki: >O.o< HUH ??

[2022/07/08 15:06:01] Ito Naminosaki: 【ツ】Hello【ツ】

[2022/07/08 15:06:07] Ariadne Fall: welcome Ito!

[2022/07/08 15:06:34] RustyGadget: Nia says she likes that idea!

[2022/07/08 15:06:37] Ariadne Fall: lol

[2022/07/08 15:06:41] Ariadne Fall: We can decide to choose positivity or negativity, I do not mean to say that anyone should allow themselves to be taken advantage of over their commitment to the Convention, what I am looking and hoping for is a solution mindset... if we have complaints or concerns present them to the team with an attitude that is looking to fix it, & venting is fine in its time and place but much too too much of our VERY valuable volunteer time was spent on pointless bitching without any tangible results.

[2022/07/08 15:06:44] Melonny (Melonnyvix): Hi Ito :)

[2022/07/08 15:06:48] Píxí (Destimona): hold on

[2022/07/08 15:06:57] Píxí (Destimona): we're missing people still

[2022/07/08 15:07:09] Píxí (Destimona): Welcome Fil

[2022/07/08 15:07:19] Fil Rowans (Yark): hIYA :)

[2022/07/08 15:07:41] Ariadne Fall: /me waves  
[2022/07/08 15:07:53] Fil Rowans (Yark): /me waits for the rez to complete  
[2022/07/08 15:08:34] Kippy Numbers (Kiptin): heys Fil :)  
[2022/07/08 15:08:47] Melonny (Melonnyvix): Not a bad idea. I was involved with a RL con that self destructed because the committee was more interested in getting into a public feud with some well known writers than what was best for the con.  
[2022/07/08 15:08:47] Píxí (Destimona): wasn't stabby wanting to be here too

[2022/07/08 15:09:44] Píxí (Destimona): maybe we should have made it 30 lol  
[2022/07/08 15:09:49] Píxí (Destimona): omg  
[2022/07/08 15:10:01] Píxí (Destimona): I can't explain that

[2022/07/08 15:11:26] Fil Rowans (Yark): i'm just auditing...i have no idea what i'm doing here.  
:P  
[2022/07/08 15:12:06] Roxy Chronotis (Roxy Christenson): Auditing?  
[2022/07/08 15:12:45] Ariadne Fall: yeah Melonny! we're coming off our most successful event, and at times in 2022 it did feel like the team was trying to eat itself! ...we decide how we are going to run it, we can encourage.. dare I say... we can require Respect & Commitment  
[2022/07/08 15:12:52] Fil Rowans (Yark): like you'd do at a college course you were attending for no credits

[2022/07/08 15:13:46] Fil Rowans (Yark): I had a great time at the last Con!  
[2022/07/08 15:13:49] Kippy Numbers (Kiptin): heys Creed :)

[2022/07/08 15:13:51] Ariadne Fall: if you have thoughts Fil, please feel free to share them... we've been taking notes from the team already & lots of that is in the categories stuff

[2022/07/08 15:14:21] Fil Rowans (Yark): Ok...i'll see if i can conjure anything useful  
[2022/07/08 15:14:32] Αυδάη Στσημ νση ΩσλϜ (Stormy Zephyr): OH JESUS ITS AN ORGY  
[2022/07/08 15:14:38] Сяѳѳ νση ΩσλϜ (Creed Crowley): Hello everyone

[2022/07/08 15:14:50] RustyGadget: Nla says hello!  
[2022/07/08 15:14:53] Kippy Numbers (Kiptin): no just everything not rezzed in yets :P  
[2022/07/08 15:14:56] Fil Rowans (Yark): /me waves  
[2022/07/08 15:15:02] Melonny (Melonnyvix): Ni Nia :)  
[2022/07/08 15:15:03] Mr. Senet (Senet Blackburn): That's how we roll Stormy  
[2022/07/08 15:15:03] Kippy Numbers (Kiptin): :D  
[2022/07/08 15:15:06] Tori (Tori Landau): Hi °◡°  
[2022/07/08 15:15:07] Ariadne Fall: lol  
[2022/07/08 15:15:14] Αυδάη Στσημ νση ΩσλϜ (Stormy Zephyr): senet says he wants to roll on me!  
[2022/07/08 15:15:17] Αυδάη Στσημ νση ΩσλϜ (Stormy Zephyr): kidding :)  
[2022/07/08 15:15:25] Ariadne Fall: rawr!

[2022/07/08 15:15:30] Píxí (Destimona): I'd roll on you too  
[2022/07/08 15:15:34] Ito Naminosaki: =^.^= MURRRR  
[2022/07/08 15:15:44] Tonya Souther: /e sighs.  
[2022/07/08 15:15:44] Píxí (Destimona): Ito agrees  
[2022/07/08 15:15:44] Αγδαη Στσημ νση ϸϸσλϜ (Stormy Zephyr): pixi thats saturdays shh wait!  
[2022/07/08 15:15:48] Píxí (Destimona): lol  
[2022/07/08 15:17:22] Ariadne Fall: lol

[2022/07/08 15:18:13] Ariadne Fall: i have some prepared comments and then feeback in categories  
[2022/07/08 15:18:19] Αγδαη Στσημ νση ϸϸσλϜ (Stormy Zephyr): so nia is here but isnt?  
[2022/07/08 15:18:31] Ariadne Fall: exactly!  
[2022/07/08 15:18:33] RustyGadget: Nia says correct  
[2022/07/08 15:18:56] Ariadne Fall: she's in another nother meeting in other presences  
[2022/07/08 15:19:04] Αγδαη Στσημ νση ϸϸσλϜ (Stormy Zephyr): oh cool  
[2022/07/08 15:19:12] Ariadne Fall: /me nods  
[2022/07/08 15:19:21] Αγδαη Στσημ νση ϸϸσλϜ (Stormy Zephyr): was really confused who rusty was  
[2022/07/08 15:120229:22] Αγδαη Στσημ νση ϸϸσλϜ (Stormy Zephyr): lol  
[2022/07/08 15:19:36] Ariadne Fall: are we ready?  
[2022/07/08 15:19:42] Mr. Senet (Senet Blackburn): /me nods  
[2022/07/08 15:19:43] Αγδαη Στσημ νση ϸϸσλϜ (Stormy Zephyr): yesh  
[2022/07/08 15:19:49] Ito Naminosaki: Yes-ah!  
[2022/07/08 15:19:51] Tonya Souther: /me nods...  
[2022/07/08 15:19:54] Mr. Senet (Senet Blackburn): Let's kick this orb....  
[2022/07/08 15:20:11] Ariadne Fall: If you didn't already know, in RL I'm an escaped corporate drone, I did time in the conference rooms of Wall Street for investment bankers and in the database dungeons of Big Pharma...  
I don't have all the answers, what I have are a very particular set of skills, skills I have acquired over a very long career... skills that make me a dream for people like You.  
[2022/07/08 15:20:19] Ariadne Fall: \*smirks\*

[2022/07/08 15:20:36] RustyGadget: Nia is lolling out loud  
[2022/07/08 15:20:49] Ariadne Fall: This is YOUR TEAM! We can try to act like it, show respect and kindness and try to make it fun and productive... we give our free time to a great cause, we all deserve to be having an equally GREAT time whenever possible.  
[2022/07/08 15:20:57] Fil Rowans (Yark): Ok...by way of introduction...i'm just a space bum.

[/07/08 15:21:21] Ariadne Fall: I have prepared a Motivations Poster Board for this meeting \*points\*  
I even made a couple fun ones specifically for us, and maybe requisitioned a few from a guy I know in the Graphics Department... \*winks\*

The intention is to keep things light and relevant, and with an eye towards being productive its set to flip every two minutes with twenty one different posters inside, I hope you enjoy them!  
[2022/07/08 15:21:49] Ariadne Fall: My stuff is loosely organized by topics with some overlap, & I know Pixi has another more structured accounting operations list to review with Everyone also!  
My stuff is MINE, I will have a biased perspective and use too many words on something that's not as specific to YOUR CONCERNS and too few words on something that is... and working together we will achieve a comprehensive analysis and plan.

[2022/07/08 15:22:22] Mr. Senet (Senet Blackburn): yes :)

[2022/07/08 15:22:25] Ariadne Fall: I added some things in mentioned by the Staff already... & Roxy has very wisely suggested that we have focused topic meetings to set up more in-depth plans and strategies for the specific projects as needed.

[2022/07/08 15:22:35] Ariadne Fall: I'm going to post my spew spam, lucky thirteen of them in total in no particular order... please feel free to comment as we go, and I am sure we will double back over important topics several times as you all share your insights or prepared notes.

[2022/07/08 15:23:09] Ariadne Fall: COMMUNICATIONS

We need more open and frequent Communications, the entire working Team should be involved where appropriate and especially the relevant Department Staff should be included.

We need a proper flow of Comms from the people doing the work to the Council/Committee, & clearly defined support channels for Private Staff Work & Public Sci-Fi News.

Group Notices, News Blog, Project Center, Conference Chats, Project Tracking, Open Meetings... what else?

The Appropriate Groups and Channels All Working Together!

How do we structure the groups?

Member group ☆ Land/Event group ☆ Blogger/ Merchant group ☆ ?? or?

How do we organize communications & social media?

In-World ☆ Website ☆ Discord ☆ News/Blog ☆ Sci-fi Gmail? ☆ Flickr ☆ Facebook ☆ ???

**Formation of an official Press Social Media Team with clearly defined plan/goals and support for their strategies and objectives.**

-----  
[2022/07/08 15:24:21] Tonya Souther: I hate sounding negative. I really do. But...my experience, and my wife's, at this year's Con was very, very negative. We did not feel respected as a sim sponsor organization. We had no idea what the sim theme would be until literally the evening before the sims opened to build, and we found ourselves throwing away our original plans to fit the sim's theme. Unlike every other sim, the one we were sponsoring got no in-progress pictures. Communication? What communication?

[2022/07/08 15:25:00] Kippy Numbers (Kiptin): (i shared pics with Stabby)

[2022/07/08 15:25:10] Fil Rowans (Yark): Yeah...earlier theme disclosure would be good.

[2022/07/08 15:25:40] Fil Rowans (Yark): i got snagged in that situation too.

[2022/07/08 15:25:42] Ariadne Fall: yes! that's a legitimate concern Tonya! & you have another good point that the Theme stuff feedback is in the build section... but it should be Communications too!

[2022/07/08 15:25:42] Tonya Souther: Kippy's build was great, but had I know tht as what it would be, I would have chosen a different region - since it was just too far form what my group is.

[2022/07/08 15:26:30] Ariadne Fall: oh & FYI! I have my report up on a Gdoc already... we can all go on there to add commentary

[2022/07/08 15:26:38] Mr. Senet (Senet Blackburn): Earlier theme disclosure is definately on the list. As the registration guy, their were so many times I needed to know and get across themes for people to even know what they are siging up for.

[2022/07/08 15:26:43] Kirk Tiberius Wingtips (Kirk Wingtips): the way the building this time would be a

[2022/07/08 15:26:53] Kippy Numbers (Kiptin): thanks Tonya :) yeah i agree more pics earlier for the sponsors and boothers

[2022/07/08 15:26:57] Kirk Tiberius Wingtips (Kirk Wingtips): right i agree, too that we need to have earlier information easier to chose from

[2022/07/08 15:27:19] Píxí (Destimona): ALIEN INVASION \O/ JUST SAYING

[2022/07/08 15:27:30] Αυδάη Στῆραμ νση ᾘσολφ (Stormy Zephyr): Kippy did give videos and pictures to stabby

[2022/07/08 15:27:36] Kippy Numbers (Kiptin): /me nods

[2022/07/08 15:27:37] Ariadne Fall: what I have in the Mapping and Build section is as follows

[2022/07/08 15:27:47] Ariadne Fall: """"Region Build Display Images available BEFORE map open! No Themes Pics, NO MAP!

Even if they are only inspiration images we need SOMETHING to look at for bookings. """"

[2022/07/08 15:27:59] Tonya Souther: I asked repeatedly, and only got them, like I said, the evening before building opened.

[2022/07/08 15:28:02] Píxí (Destimona): Here here

[2022/07/08 15:28:04] Melonny (Melonnyvix): Yes. I had to go beg to get out ad changed because the name of the sim was changed.

[2022/07/08 15:28:12] Kippy Numbers (Kiptin): yep i didn't want to share too much, so i just shared with my contacts

[2022/07/08 15:28:21] Píxí (Destimona): Well fortunatly for this year new year new build team

[2022/07/08 15:28:26] Píxí (Destimona): new head builders

[2022/07/08 15:28:40] Ariadne Fall: yes! speaking of which....

[2022/07/08 15:28:54] Melonny (Melonnyvix): Absolutely no fault of Irish, and she was a dear for agreeing to do the changes at all

**[2022/07/08 15:28:56] Ariadne Fall: COMMITTEE/COUNCIL/BOARD/FEZNYNG**

**We need the Formation of a Governing Board Committee Council of Weirdos to oversee ALL Convention Operations as a whole.**

**Majority Rule & regular status updates and quorums held.**

**Board/Council/Committee can be formed from prior members and/or anyone who volunteered for and completed project work in the previous year.  
& we can make the list**

**Governing Board Committee Council of Weirdos will agree on Best Practices and Procedures and the Departments will enact.**

**Once the Council has agreed on a decision the matter is closed except for Review.**

-----  
[2022/07/08 15:29:10] Αυδάη Στσημ νση ᾘσλϜ (Stormy Zephyr): I'm sorry Tonya i really did try to help make you con expereince better when you came to me with issues.

[2022/07/08 15:29:17] Tonya Souther: That, and our experience with one particular booth holder - not hte con's fault, to be sure, and they responded admirably once they realized just how severe the problem was - really wrecked our experience this year.

[2022/07/08 15:29:38] Tonya Souther: Yes, Stormy, you did, and thank you.

[2022/07/08 15:29:49] Πίξί (Destimona): yes Ari speaking of the council

**[2022/07/08 15:29:54] Πίξί (Destimona): Kirk**

**[2022/07/08 15:30:09] Πίξί (Destimona): You and I discussed a council**

**[2022/07/08 15:30:35] Ariadne Fall: i think it would help us look out for each other too**

**[2022/07/08 15:31:06] Πίξί (Destimona): I brought the proposal to the other heads from last year and we all agree a council is formed and here to provide support but to do this properly you need to be on the council and remain as chair in name and face only**

[2022/07/08 15:31:34] Πίξί (Destimona): We can not properly function with you working so much and zorina being the loud mouth nap queen and abusing her power constantly

**[2022/07/08 15:31:45] Ariadne Fall: Chair would be an honorary title, yeah**

**[2022/07/08 15:32:02] Ariadne Fall: & yeah.. that Veto Rule... that's my next item**

**[2022/07/08 15:32:04] Πίξί (Destimona): you'd have your say as well don't get us wrong**

**[2022/07/08 15:32:06] Ariadne Fall: WE VETO YOUR VETO DARLING!**

<https://www.youtube.com/watch?v=vW3ZclcRG2s>

No Single Voice Veto or Overrule!

Zorina's "I speak for Kirk" as a pronouncement that ends rational discourse is BS... \*grins\*  
an example ....we can ALL give our own version of why inviting everyone and anyone and their servo-droid into the Staff Group was a horrible idea.

I know I suggested... NAY! I demanded DEMANDED an Exhibitors group, and was basically told to shut my hole...

and GUESS WHAT?!?!

we already had an exhibitors group we were going to make them all get in almost the next freaking day because of the bloggers, "I Hate Your Face" ...we compromised our comms and ability to manage the regions properly for no gains.

& BTW! no one has ever explained to me why having the regions open to the general membership was so bad in the first place, they had no real ability to create mischief only to watch the happenings..... & that should NOT have been an arbitrary dictatorial decision to make.

### **The Committee Rule would**

**[2022/07/08 15:32:06] Ariadne Fall: protect us from that sort of mistake, as we would have to form a quorum for any important decisions.**

-----  
**[2022/07/08 15:32:38] Píxí (Destimona): Zorina can be on the council but she is no longer going to rule us**

[2022/07/08 15:32:48] Ariadne Fall: I want the safety of the quorum, for myself... for all of us

[2022/07/08 15:32:48] Mr. Senet (Senet Blackburn): And we need a council, and we have for a bit now. It does help the whole process from planning to execution.

[2022/07/08 15:33:54] Píxí (Destimona): sooooo

**[2022/07/08 15:34:07] Αυδάη Στσημ νση ΩσλϜ (Stormy Zephyr): Kirk I think we all appreciate you attention here, to the meeting you called. Like this is my dinner hour so you can at least meet me half way.**

**[2022/07/08 15:34:07] Píxí (Destimona): we have no clue if you're paying attention or not**

[2022/07/08 15:34:38] Mr. Senet (Senet Blackburn): The meeting presentation is online if anyone wants to follow along with the topics.

**[2022/07/08 15:34:59] Kirk Tiberius Wingtips (Kirk Wingtips): im paying attention and yes i know we discussed the concept of the council, and im hearing you out here, and before any final decision is made, other ideas will also be considered**

**[2022/07/08 15:35:03] Ariadne Fall: & if you want to add commentary let me know & I will give you perms**

**[2022/07/08 15:35:18] Píxí (Destimona): Kirk hunny**

**[2022/07/08 15:35:26] Ariadne Fall: I want the safety of the committee rule**

**[2022/07/08 15:35:27] Píxí (Destimona): we all already agreed**

**[2022/07/08 15:35:33] Ariadne Fall: we did already agree**

**[2022/07/08 15:35:42] Ariadne Fall: we have to work out the WHO**

[2022/07/08 15:35:55] Ariadne Fall: & how we handle due process for weird stuff

**[2022/07/08 15:35:56] Kirk Tiberius Wingtips (Kirk Wingtips): no, you cant just agree behind my back**

[2022/07/08 15:35:57] Píxí (Destimona): I know the chair spot means everything and to be honest you've been the face of con for years

[2022/07/08 15:36:08] Ariadne Fall: I meant you Kirk, YOU agreed

[2022/07/08 15:36:25] Kirk Tiberius Wingtips (Kirk Wingtips): i never agreed, i said I'd consider it and consider other ideas

[2022/07/08 15:36:39] Ariadne Fall: & we have the details to figure out as a team, this is our first challenge

[2022/07/08 15:36:51] Píxí (Destimona): Kirk you agreed until you realized it meant giving up power

[2022/07/08 15:36:58] Mr. Senet (Senet Blackburn): TBH I really want it too. Too much stuff ends up falling through the cracks and too many things are done at the last minute frankly because decisions just don't get made.

[2022/07/08 15:37:08] Ariadne Fall: what power? there's no convention at all unless we make one

[2022/07/08 15:37:18] Mr. Senet (Senet Blackburn): And some of us kill ourselves in the process. I want the council.

[2022/07/08 15:37:21] Píxí (Destimona): we all want what's best for con

[2022/07/08 15:37:21] Melina Firehawk: left chat range.

[2022/07/08 15:37:29] Ariadne Fall: I want the protection and the strength of a committee rule

[2022/07/08 15:37:30] Píxí (Destimona): ups she crashed

[2022/07/08 15:37:31] Melina Firehawk: entered chat range (4.97 m).

[2022/07/08 15:38:20] Píxí (Destimona): We have our reasons for wanting the council and some of it is simply we can't wait on decisions that never come

[2022/07/08 15:38:40] Ariadne Fall: all important decisions go before the committee, we decide together

[2022/07/08 15:38:50] Píxí (Destimona): in one meeting we've discussed everything from whose who to maps

[2022/07/08 15:39:03] Píxí (Destimona): and have various functional ideas and schedule ideas

[2022/07/08 15:39:14] Ariadne Fall: yeah, we agree on how many of us make a quorum... and that's how many we need to decide anything

[2022/07/08 15:39:26] Píxí (Destimona): No offense to Zorina and you but you're always on and she's been absent since con

[2022/07/08 15:39:45] Mr. Senet (Senet Blackburn): Great example, this convention was the first time in my years as your security head that I did nothing in security (other than the Jail and Bail) Their were just too many other things that needed to be done that wouldn't have needed to be done if we had made certain decisions and the dominoes were in place.

[2022/07/08 15:40:52] Píxí (Destimona): this was also the first convention where even head admins weren't given clear guidelines on what were expected and that ended up causing a lot of drama

[2022/07/08 15:41:24] Fil Rowans (Yark): can i make an observation as an outsider?

[2022/07/08 15:41:28] Píxí (Destimona): of course

[2022/07/08 15:41:38] Roxy Chronotis (Roxy Christenson): I did find it a bit crazy that the project management... was lacking. When you run a project of this magnitude, the amount of times we should meet as it get closers to the deadline should have increased. Really, the week

or so leading up to con, we should have met every day almost to discuss and work things out. We never did.... we met 2 weeks prior and then nothing... I for one, felt lost and had no idea what was going on. Project Management is not an easy task and it takes a team to do it... not just one person.

[2022/07/08 15:41:53] Fil Rowans (Yark): This years con went well from my perspective....

[2022/07/08 15:42:16] Píxí (Destimona): well we appreciate that Fil lol you're very sweet

[2022/07/08 15:42:35] Fil Rowans (Yark): it seemed professionally run and i got all the help i needed.

[2022/07/08 15:42:55] Fil Rowans (Yark): so whatever you were doing seemed to be working well.

[2022/07/08 15:43:06] Píxí (Destimona): lol/

[2022/07/08 15:43:17] Roxy Chronotis (Roxy Christenson): sorry, i was writing a book

[2022/07/08 15:44:00] Ćяєєđ νση ĆĐσԼԴ (Creed Crowley): This is not really Senet's fault, considering all he had to deal with....but from a security stand point, everything was a mess. Snoots told me "Security is just there to make sure everyone has fun. If you see boobs, you can tell them to cover up. And that's about it!"

[2022/07/08 15:44:37] Ariadne Fall: I am SO sick of boobs, its our discretion

[2022/07/08 15:44:44] Píxí (Destimona): boob

[2022/07/08 15:44:47] Ariadne Fall: SECURITY

Nipples!

NO MORE SECURITY REPORTS FOR ONLY NIPPLES! Walmart Rule!

Content is Moderate at OUR DISCRETION, can we please get an administrative ruling where a security report must now have more than nip nip slip slip.

Merchant sales of skins or vendor goods where image is appropriate for that purpose, female avatars presenting as topless... leave it ALONE! you are creeping Me AND OUR RFL MENTOR out, lady nipples are not worth our legislation and I will please NOT be part of using SL Sci-Fi Con for propping up the patriarchy.

-----  
[2022/07/08 15:44:57] Píxí (Destimona): awee no ones wearing the boob thing

[2022/07/08 15:45:16] Ariadne Fall: what would you change Creed?

[2022/07/08 15:45:16] Αυđαη Ꮖтσям νση ĆĐσԼԴ (Stormy Zephyr): i touched a boob while shopping

**[2022/07/08 15:45:45] Ariadne Fall: MAPPING & OFFICE**

[2022/07/08 15:46:11] Fil Rowans (Yark): I, for one, am in favour of boobs

[2022/07/08 15:46:16] Roxy Chronotis (Roxy Christenson): I didn't realize we were moving on for topics...

[2022/07/08 15:46:23] Fil Rowans (Yark): if that means anything

[2022/07/08 15:46:24] Píxí (Destimona): lol

**[2022/07/08 15:46:36] Píxí (Destimona): can we slow down a bit**

[2022/07/08 15:46:49] Tonya Souther: propping up...the patriarchy....???!!

**[2022/07/08 15:46:49] Píxí (Destimona): rewind so kirk has a chance to reply**

[2022/07/08 15:46:54] Ćяєєđ vση ĆĐσłƦ (Creed Crowley): Well there was nothing on booth checks or anything...nothing about griefers... just "Watch for boobs and make sure they have fun".. I was never a stickler about it, if RFL doesn't care, I don't care.

**[2022/07/08 15:47:14] Ariadne Fall: I will be on whatever topic you want! I think we are all agreed that we want to form up an Operating Board, and the how of it is more complex**

[2022/07/08 15:47:55] Ariadne Fall: & yeah, we decide if lady nipples are worthy of litigation

[2022/07/08 15:48:09] Νια Ατρειδes: entered chat range (5.86 m).

[2022/07/08 15:48:12] Roxy Chronotis (Roxy Christenson): no it's ok i was just still reading. LOL. no problem.

[2022/07/08 15:48:13] Ariadne Fall: we should have a security manual, yes please

[2022/07/08 15:48:17] Ćяєєđ vση ĆĐσłƦ (Creed Crowley): I thought concierge is supposed to help people find where to go and make sure they have fun.

**[2022/07/08 15:48:26] Kippy Numbers (Kiptin): and i agree with Roxy with her point about mgmt, plus some of us didn't know or expect that some mgmt weren't sharing with other mgmt. i think it's why some, including boothers, were confused about who knew (or didn't know) what**

[2022/07/08 15:48:37] Mr. Senet (Senet Blackburn): Again the security issue was on me, I should have been able to fit in actual training and a more set NC of rules.

[2022/07/08 15:48:48] Νία ΛΤΡΕΙΔΕS (Nia Voxel): (hey everyone... sorry I am late... just catching up now)

[2022/07/08 15:48:52] Ariadne Fall: I did double post sausage fingers there, I went to grab the security topic out of order

[2022/07/08 15:49:04] Tonya Souther: I'm getting dragged off to RL. Try not to shread each other too badly, ok?

[2022/07/08 15:49:29] Ariadne Fall: rawr!

**[2022/07/08 15:49:43] Їяѣѣ νση ϘσλϜ (Creed Crowley): An example of that is...at the Babymetal event. A girl was topless. Everyone was like "Get her" and I was like ok... It's the rules, I'll enforce it. But then Zorina stepped in and was like "Nooo! Wait! She's Kirks friend!"**

**[2022/07/08 15:49:51] Melonny (Melonnyvix): Yes, trying to find out who was responsible for what was incredibly frustrating at times.**

[2022/07/08 15:49:53] Tonya Souther: left chat range.

[2022/07/08 15:49:57] Ito Naminosaki: there was oneumm, about a Security manual. i got one from Snoots?

**[2022/07/08 15:50:46] Melina Firehawk: We do need to be careful, though. Mature sims does not mean sexual actions. We all know the uproar FF caused in the past, and their unwillingness to cooperate when they showed up to family-friendly events topless**

[2022/07/08 15:50:56] Їяѣѣ νση ϘσλϜ (Creed Crowley): Not necessarily about the nudity, but we need a consistent rule book to follow.

[2022/07/08 15:51:06] Ariadne Fall: yes! never having lady nips be the only thing on a report

[2022/07/08 15:51:19] Ariadne Fall: but guidelines for proper reporting

[2022/07/08 15:51:19] Νία ΛΤΡΕΙΔΕS (Nia Voxel): Hear hear!

[2022/07/08 15:51:35] Cody Chronotis (Cody Conundrum): [15:49] Їяѣѣ νση ϘσλϜ (Creed Crowley): An example of that is...at the Babymetal event. A girl was topless. Everyone was like "Get her" and I was like ok... It's the rules, I'll enforce it. But then Zorina stepped in and was like "Nooo! Wait! She's Kirks friend!" - Why was it okay because there were kirks friend?

**[2022/07/08 15:51:46] Cody Chronotis (Cody Conundrum): What sort of precedent is that?**

[2022/07/08 15:51:47] Αγδαη Ϛτσям νση ϘσλϜ (Stormy Zephyr): dont worry we have live masturbation during booba fett on the list

[2022/07/08 15:52:13] Їяѣѣ νση ϘσλϜ (Creed Crowley): Cody, I agree...but that's what we were dealing with

[2022/07/08 15:52:38] Ariadne Fall: yeah that's an actual griefer of inappropriate behavior, live masturbation demo

[2022/07/08 15:52:46] Cody Chronotis (Cody Conundrum): Where is Zorina anyway? Too busy napping to show up?

[2022/07/08 15:52:59] Ariadne Fall: she's in another virtual world

[2022/07/08 15:53:01] Ρίχι (Destimona): according to discord they're in arc

[2022/07/08 15:53:03] Їяѣѣ νση ϘσλϜ (Creed Crowley): No idea

[2022/07/08 15:53:06] Ariadne Fall: pew pew pew

[2022/07/08 15:53:10] Toven Karu: May I say?

[2022/07/08 15:53:14] Píxí (Destimona): of course

[2022/07/08 15:53:15] Píxí (Destimona): :)

**[2022/07/08 15:53:17] Toven Karu: I really like how many people are here for this meeting. It's been a long long time, (and it feels like a galaxy far far away) but I think a council sounds like a great idea, but who has final say in case of a tie? Who would be in charge over what? Say like Managers or like Director of Media Relations? Engineer over Construction? Manager of Marketing, Enforcer of Guards? or just 13 (or so) people in a room arguing for hours? Cause I've seen the arguing before, and I think Kirks deserves a little more credit than Council member in name and face only..**

[2022/07/08 15:53:17] Νία Λτρείδες (Nia Voxel): (I think I am caught up now. Thankfully I missed this masturbation thing during my show)

[2022/07/08 15:53:48] Αγδαη Στσημ νση Ωσλτ (Stormy Zephyr): You're welcome Nia!

[2022/07/08 15:53:50] Αγδαη Στσημ νση Ωσλτ (Stormy Zephyr): :)

[2022/07/08 15:53:55] Ariadne Fall: Kirk would be a full committee member, Chair becomes an honorific

**[2022/07/08 15:53:56] Píxí (Destimona): Kirk is an amazing man**

**[2022/07/08 15:54:15] Toven Karu: And I talked with Zorina recently and she told me she was tired and a little burnt out, she just needs to recharge and she'll be back with the same enthusiasm and dedication she's always had.**

[2022/07/08 15:54:19] Čяєєđ νση Ωσλτ (Creed Crowley): I think the whole DRD thing got WAY out of hand and someone should have and could have put a stop to it immediately.

[2022/07/08 15:54:36] Kippy Numbers (Kiptin): as it was happening, each and every time, yup

[2022/07/08 15:54:49] Píxí (Destimona): Toven

[2022/07/08 15:54:52] Píxí (Destimona): toven

[2022/07/08 15:55:16] Kippy Numbers (Kiptin): re: security, the problem with a lot of rules too is that there will always be people pointing to whatever rule it is that isn't being followed and should be enforced. i'm not sure how specific we wanna get about certain things :P

[2022/07/08 15:55:16] Píxí (Destimona): let me respectfully let you know that we, the people in this room got very little sleep durring con

**[2022/07/08 15:55:31] Píxí (Destimona): I haven't stopped doing "con" stuff**

[2022/07/08 15:55:32] Fil Rowans (Yark): we the people

[2022/07/08 15:55:38] Čяєєđ νση Ωσλτ (Creed Crowley): OH

[2022/07/08 15:55:43] Fil Rowans (Yark): E Plebnista

[2022/07/08 15:55:46] Čяєєđ νση Ωσλτ (Creed Crowley): A thought on security

**[2022/07/08 15:55:47] Píxí (Destimona): she took two weeks to do nothing**

**[2022/07/08 15:55:59] Píxí (Destimona): while I did her job and Kirks**

[2022/07/08 15:56:11] Čяєєđ νση Ωσλτ (Creed Crowley): I think security should have discord moderation too. Kind of the point right?

**[2022/07/08 15:56:11] Píxí (Destimona): she has no reason to be burnt out**

**[2022/07/08 15:56:15] Kirk Tiberius Wingtips (Kirk Wingtips): t**

**[2022/07/08 15:56:38] Píxí (Destimona): prehaps if she didn't smoeek so much of that good green shit**

[2022/07/08 15:56:39] Toven Karu: **I'm sorry if I've overstepped, but I remember the politics at the beginning and I'm a little worried that the group (which is much larger now) may blow up bigger than it did at the beginning.**

[2022/07/08 15:56:45] Píxí (Destimona): she wouldn't be burnt out

**[2022/07/08 15:57:01] Kirk Tiberius Wingtips (Kirk Wingtips): to be fair 2 week break after the conventions, is pretty standard, didnt always work out, but its been standard for years**

[2022/07/08 15:57:05] Píxí (Destimona): once you do everyones job for a wee Toven

[2022/07/08 15:57:15] Roxy Chronotis (Roxy Christenson): Discord is a whole other topic, and we had no idea of who had the knowledge and ability to monitor. Because we did give some privileges out and they were mishandled, grossly.

[2022/07/08 15:57:15] Píxí (Destimona): then you have room to say who does what

[2022/07/08 15:57:23] Píxí (Destimona): and pardon me for being touchy

[2022/07/08 15:57:26] Píxí (Destimona): but no

[2022/07/08 15:57:34] Αυδαη Στσημ νση Ωσλτ (Stormy Zephyr): we didnt get breaks

[2022/07/08 15:57:37] Píxí (Destimona): until you chase everyone down for records for two weeks

[2022/07/08 15:57:38] Αυδαη Στσημ νση Ωσλτ (Stormy Zephyr): before during or after con

[2022/07/08 15:57:40] Čřęęđ νση Ωσλτ (Creed Crowley): There are steps that could have been taken by security to stop discord drama..but security had no permissions to do anything.

[2022/07/08 15:57:41] Αυδαη Στσημ νση Ωσλτ (Stormy Zephyr): so excuse you

[2022/07/08 15:57:46] Píxí (Destimona): for reports that weren't your job to beging with

[2022/07/08 15:57:49] Melonny (Melonnyvix): Maybe have a Discord group just for the staff?

[2022/07/08 15:58:09] Čřęęđ νση Ωσλτ (Creed Crowley): Don't need multiple discord groups if it's done right

[2022/07/08 15:58:14] Cody Chronotis (Cody Conundrum): You don't need that. Theres chats for just for the staff in the one discord

[2022/07/08 15:58:17] Stabitha: entered chat range (6.22 m).

[2022/07/08 15:58:24] Cody Chronotis (Cody Conundrum): Which weren't used properly last year

[2022/07/08 15:58:25] Píxí (Destimona): so I'm just gonna come out and say it

[2022/07/08 15:58:26] Melina Firehawk: There are roles that can be added to Discord for staff in certain areas, and that can give them their own private section in Discord

[2022/07/08 15:58:29] Melonny (Melonnyvix): Or a subgroup

[2022/07/08 15:58:39] RustyGadget: left chat range.

**[2022/07/08 15:58:43] Píxí (Destimona): would you like to know why we want a council so much**

**[2022/07/08 15:58:44] Melina Firehawk: You can even do voice chat too for each of those roles**

**[2022/07/08 15:58:57] Píxí (Destimona): why we can't operate this way anymore?**

[2022/07/08 15:59:10] Čřęęđ νση Ωσλτ (Creed Crowley): Could have turned off chat if it was getting out of hand...Could have turned on slow mode...could have done any number of things. but our hands were tied.

**[2022/07/08 15:59:24] Melonny (Melonnyvix): Lay it on us, Pixi**

[2022/07/08 16:00:02] **Þíxí (Destimona): there was a very big problem that could have landed us with fraud charges Right Kirk?**

[2022/07/08 16:00:10] **Þíxí (Destimona): and since the two heads wouldn't sort it**

[2022/07/08 16:00:16] **Þíxí (Destimona): the rest of us did**

[2022/07/08 16:00:34] **Þíxí (Destimona): while little miss dedicated sat on her ass**

[2022/07/08 16:00:50] **Þíxí (Destimona): and Kirk watched movies or what ever for two weeks**

[2022/07/08 16:01:05] Cody Chronotis (Cody Conundrum): /me sips tea

[2022/07/08 16:01:18] **Þíxí (Destimona): Actual RL Fraud charges**

[2022/07/08 16:01:26] Ariadne Fall: you're not wrong, we had some big issues in 2022

[2022/07/08 16:01:27] Toven Karu: I'm sorry Þíxí, I understand the pain involved with big groups. I've been burnt out before doing so many peoples jobs too. I get tons of overtime at work even now doing so many other peoples jobs. The frustration of it all weighs heavy. But don't let it get you down. Let us help come up with a plan so we can move forward with something great.

[2022/07/08 16:01:58] Kippy Numbers (Kiptin): that's what we're here for yeps :)

[2022/07/08 16:02:10] **Ariadne Fall: fraud is not accurate... in an actual emergency we would have emergency resources**

[2022/07/08 16:02:18] Ariadne Fall: & what's the point of this meeting? to have a vent out about what went wrong? or to make a better future?

[2022/07/08 16:02:55] **Kirk Tiberius Wingtips (Kirk Wingtips): I also had to work RL, 12 hour shifts, I couldn't exactly skip work**

[2022/07/08 16:03:00] **Ariadne Fall: you want to yell at Kirk? or have a peaceful formation of the committee that will protect us?**

[2022/07/08 16:03:04] **Stabitha (What88 Zond): late to the party but what Fraud?**

[2022/07/08 16:03:27] **Ariadne Fall: the money disbursements, we had an error**

[2022/07/08 16:03:34] Stabitha (What88 Zond): \*shakes\* OOF \*shakes\*

[2022/07/08 16:03:34] Stabitha (What88 Zond): OOF

[2022/07/08 16:03:36] **Þíxí (Destimona): that's why we're saying you need the council Kirk not to hinder you or take con but to help build it to where it needs to be**

[2022/07/08 16:03:45] Ауџаη Στοям νση ЦОслѢ (Stormy Zephyr): like i rearranged my irl kids doctors and therapies to support con, while you watched movies every night and i ignored any directive you gave because i cannot listen to someone who IS NOT THERE and knows whats going on. Also you don't acknowledge anyone sacrifices for con, nor do you have our backs or support. and i can get you have 12 hour shifts i have 24/7 shifts for 26 years with 13 of my own kids and my 2 neohews and they all lived and ate and i was still there 18 hours a day,.

[2022/07/08 16:03:47] **Їяџџ νση ЦОслѢ (Creed Crowley): I redid the booth list..Got it organized...and found missing money...**

[2022/07/08 16:04:00] **Melina Firehawk: The potential fraud was due to confusion and over the money, with some unaccounted for and little to no transparency or tracking**

[2022/07/08 16:04:18] **Melina Firehawk: That in and of itself is a serious issue with aCS**

[2022/07/08 16:04:35] **Ariadne Fall: we want to have the budget bot own the registration vendors and make the payments directly moving forward**

[2022/07/08 16:04:36] Stabitha (What88 Zond): \*~\* OOF \*~\*

[2022/07/08 16:04:36] Stabitha (What88 Zond): oof

**[2022/07/08 16:04:49] Píxí (Destimona): so all this is also up in the air to if acs allows us a con next year**

**[2022/07/08 16:04:57] Ariadne Fall: & yes, we need total transparency**

[2022/07/08 16:05:00] Stabitha: left chat range.

[2022/07/08 16:05:29] Ariadne Fall: who said that? state your sources?

[2022/07/08 16:05:38] Roxy Chronotis (Roxy Christenson): What is the status on that decision?

**[2022/07/08 16:05:39] Ariadne Fall: I spoke to Nualla & ACS has already given us tentative dates**

**[2022/07/08 16:05:49] Kirk Tiberius Wingtips (Kirk Wingtips): I'll be meeting with ACS pretty soon, im sure they wont stop us from doing a con next year**

[2022/07/08 16:06:01] NeoRaider: left chat range.

**[2022/07/08 16:06:11] Kirk Tiberius Wingtips (Kirk Wingtips): they seem pretty happy with this years con**

[2022/07/08 16:06:32] Čřęęđ vση ĆĐσԼԻ (Creed Crowley): At least someone was

**[2022/07/08 16:06:32] Ariadne Fall: Sting has requested a meeting, & we certainly can't take it as a tam if the objective is Throw Kirk Under the Bus**

[2022/07/08 16:06:45] Ariadne Fall: /me shrugs

[2022/07/08 16:06:51] Píxí (Destimona): we needed to vent I think

**[2022/07/08 16:07:24] Ariadne Fall: no one, NOT ONE OF US... has given a commitment to do 2023 Convention yet**

**[2022/07/08 16:07:25] Píxí (Destimona): we're not throwing him under the bus we're calmly stating why a council is our only chance to progress in future**

**[2022/07/08 16:07:34] Píxí (Destimona): ^^that's true**

**[2022/07/08 16:07:35] Ariadne Fall: so who are we & what do we want?**

[2022/07/08 16:07:48] Toven Karu: Total Transparency, a Buget Bot, and a Council sounds good, but how do we get the Total Transparency to work? What all would the budget bot do? and How would the council actually work? X ammount of people discussing things or having people assigned over departments?

[2022/07/08 16:08:08] Píxí (Destimona): We have all those answers in another document

[2022/07/08 16:08:10] Ariadne Fall: Pixi, have fun with your revolution... but if you want a bloodletting here, I am not interested

[2022/07/08 16:08:21] Píxí (Destimona): it's not a bloodletting

[2022/07/08 16:08:23] Ariadne Fall:  
[https://docs.google.com/document/d/11zRSykAPg8FGuD6Ft7aF2Z9z\\_emmUGwbbqbziDF8M0I/edit?usp=sharing](https://docs.google.com/document/d/11zRSykAPg8FGuD6Ft7aF2Z9z_emmUGwbbqbziDF8M0I/edit?usp=sharing)

[2022/07/08 16:08:26] Píxí (Destimona): and I did get angry

[2022/07/08 16:08:33] Píxí (Destimona): and let it get ahead of us

[2022/07/08 16:08:39] Ariadne Fall: if anyone has commentary for the report, let me know... or whatever

[2022/07/08 16:08:40] Píxí (Destimona): my apologies

**[2022/07/08 16:08:42] Kirk Tiberius Wingtips (Kirk Wingtips): there would be alot to work out before a final decision on council can be made**

[2022/07/08 16:08:53] Píxí (Destimona): we have it all wored out

[2022/07/08 16:08:59] Píxí (Destimona): worked out

[2022/07/08 16:09:02] Píxí (Destimona): well mostly

[2022/07/08 16:09:02] Ariadne Fall: I don;t think we have anything worked out

[2022/07/08 16:09:14] Píxí (Destimona): We had the basic who

[2022/07/08 16:09:18] Ariadne Fall: no

[2022/07/08 16:09:20] Píxí (Destimona): no?

[2022/07/08 16:10:02] Ariadne Fall: I think we'd want to agree on that

[2022/07/08 16:10:13] Píxí (Destimona): the council

**[2022/07/08 16:10:17] Mr. Senet (Senet Blackburn): Again, we need a council. That is clear. Certain decisions have to be made and executed on a timeline and RL can not get in the way of that. We all have RL issues and NO DECISION should be in the hands of one or even 2 people.**

[2022/07/08 16:10:21] Ariadne Fall: who, how many, & what number makes a quorum

[2022/07/08 16:10:22] Melonny (Melonnyvix): It looks like you're covered most of my issues in that document.

[2022/07/08 16:10:29] Píxí (Destimona): the base members are here

[2022/07/08 16:10:41] Fil Rowans (Yark): /me nicks a donut

[2022/07/08 16:10:43] Píxí (Destimona): we have a discord

[2022/07/08 16:10:57] Ariadne Fall: I don;t like discord

[2022/07/08 16:11:02] Ariadne Fall: its limited

[2022/07/08 16:11:03] Píxí (Destimona): we had a meeting and discussed it all there

[2022/07/08 16:11:25] Roxy Chronotis (Roxy Christenson): Discord is very flexible and has a lot of options... what is limited about it in your opinion?

[2022/07/08 16:11:35] Kippy Numbers (Kiptin): and i would think the council could stay in touch with each other thru discord or other rl means in case of quick decisions when not everyone can be present inworld?

[2022/07/08 16:11:37] Čяѳѳ vση Ćσλƒ (Creed Crowley): It's not really limited. We just need to set it up better

[2022/07/08 16:11:47] Kippy Numbers (Kiptin): /me nods

[2022/07/08 16:11:53] Αυδαη §тяям vση Ćσλƒ (Stormy Zephyr): RIGHT LIKE STAAFF HAVING RIGHTS TO THE SERVER NOT JUST COLORED NAMES

[2022/07/08 16:12:02] Αυδαη §тяям vση Ćσλƒ (Stormy Zephyr): oh yelling again

[2022/07/08 16:12:08] Stabitha: entered chat range (8.25 m).

[2022/07/08 16:12:09] Kippy Numbers (Kiptin): /me covers his ears :P

[2022/07/08 16:12:12] Cody Chronotis (Cody Conundrum): Staff had rights and started giving out the wrong tags

[2022/07/08 16:12:14] Cody Chronotis (Cody Conundrum): /me SHRUGS

[2022/07/08 16:12:16] Αυδαη §тяям vση Ćσλƒ (Stormy Zephyr): sorry

[2022/07/08 16:12:18] Píxí (Destimona): \o/

[2022/07/08 16:12:21] Kippy Numbers (Kiptin): :)

[2022/07/08 16:12:38] Píxí (Destimona): everything needs to be taken apart and put back together we had so many holes this year

[2022/07/08 16:12:40] Ariadne Fall: I'm very newb at discord... so that's the point of view I'm coming from.... but important channels don't exist & sometimes chat moves too fast for news posts to be practical

[2022/07/08 16:12:48] Píxí (Destimona): Cody and Roxy what do you think

[2022/07/08 16:12:49] Ariadne Fall: y'know?

[2022/07/08 16:13:17] Roxy Chronotis (Roxy Christenson): There was mass confusion while setting that up, and we did the best we can with the little knowledge we were given. Everyone had their own ideas and we were told multiple things. We can certainly look at resetting some things up and having it function better. And if important channels didn't exist, all someone had to do was ask.

[2022/07/08 16:13:17] Melonny (Melonnyvix): You can scroll back, and there is a search option

[2022/07/08 16:13:19] Stabitha: left chat range.

[2022/07/08 16:13:32] Cody Chronotis (Cody Conundrum): We set up the discord in 10 minutes based on 27 conflicting opinions. Yes it can be done better, but people need to agree on what they want

**[2022/07/08 16:13:53] Ariadne Fall: I support a total restructure, with the elimination of "build lead"**

[2022/07/08 16:14:06] Mr. Senet (Senet Blackburn): Hear Hear

[2022/07/08 16:14:42] Roxy Chronotis (Roxy Christenson): people were being invited to the server while we were still setting it up... and there are bots that can do a lot of things, but some of them cost RL money (not all, some) that could make things easier. It needs discussed. Like, a whole meeting, just to discuss the Discord. And there was no "build lead" in discord??

[2022/07/08 16:14:49] Mr. Senet (Senet Blackburn): I must say that we have had some sort of build problem every year since we came up with a "build lead" or "lead builder" position.

[2022/07/08 16:15:04] Roxy Chronotis (Roxy Christenson): Oh, you're not talking about Discord now.

[2022/07/08 16:15:15] Píxí (Destimona): I'd like to see a Build Team head .....and this year I suggested Cody and Roxy . A balanced pair can only do balanced things

[2022/07/08 16:15:16] Ariadne Fall: & Kippy makes a good point, that's what discord is good at.... we can form the board of important decisions wherever everyone can be in the channel

[2022/07/08 16:15:29] Stabitha: entered chat range (8.25 m).

[2022/07/08 16:15:58] Roxy Chronotis (Roxy Christenson): That is what Admin chat SHOULD have been.

[2022/07/08 16:16:03] Roxy Chronotis (Roxy Christenson): And was originally setup for.

[2022/07/08 16:16:06] Ariadne Fall: I would prefer the Committee be the Build Lead and help oversee the more practical non-creative stuffs

[2022/07/08 16:16:09] Fil Rowans (Yark): Occam's razor.

[2022/07/08 16:17:01] Kippy Numbers (Kiptin): made up of people with different skills and knowledge yeah

[2022/07/08 16:17:40] Toven Karu: :( My time shift is almost over at work, I have to clean up and get ready to go home, and I don't want to leave. :( I'll read over the document, and I'd love

to see these things get worked out. 😊 As far as the anyone being invited into the group thing that was said earlier, If I'm welcome I'd love to help, but if not then feel free to ignore me. If I'm welcome please send me a link to the group(s), discord(s) and/or whatever else I should have/need. Also feel free to send friend requests. Friends are always good :) Thanks and sorry I have to go so soon :(

[2022/07/08 16:18:13] Ariadne Fall: we'd love to have you help out Toven, thank you!

[2022/07/08 16:18:31] Píxí (Destimona): back to build leads I believe a couple should be put there not one single person its too much

[2022/07/08 16:18:43] Ariadne Fall: as I said, no one has formally given a commitment for anything yet

[2022/07/08 16:18:55] Toven Karu: I have a ton of Idea's I can't wait to share. 😊 Have fun :)

[2022/07/08 16:19:01] Roxy Chronotis (Roxy Christenson): The committee, in my opinion, should always have oversight over everything. but there still needs to be someone on the committee who is overseeing each section. You all can't be all involved in the day-to-day activities build team, all involved in the day-to-day activities of security, etc.

[2022/07/08 16:19:13] Kirk Tiberius Wingtips (Kirk Wingtips): look forward to hearing your ideas 😊

[2022/07/08 16:19:26] Kippy Numbers (Kiptin): /me nods

**[2022/07/08 16:19:27] Roxy Chronotis (Roxy Christenson): You can't micromanage every aspect. You have to put people in charge, that report back to the committee and have an open line of communication.**

**[2022/07/08 16:19:31] Toven Karu: left chat range.**

**[2022/07/08 16:19:36] Píxí (Destimona): agreed**

[2022/07/08 16:19:37] Ariadne Fall: ok, that makes sense... people are going to be doing the actual work

[2022/07/08 16:20:59] Mr. Senet (Senet Blackburn): We are still planning on having department heads or Project heads or whatever you want to call them. It's the fact that overall descisions need to be made by a council.

[2022/07/08 16:21:26] Mr. Senet (Senet Blackburn): A council that those project leads need to communicate to.

[2022/07/08 16:21:38] Píxí (Destimona): We'd vote those leads in

[2022/07/08 16:21:48] Píxí (Destimona): so we know them and they know us

[2022/07/08 16:22:04] Ariadne Fall: Build is a big challenge, it has to be creative or the estate is boring... and it has to be practical for usages and traffic planning

[2022/07/08 16:22:05] Píxí (Destimona): that way we already have the head start over communications

[2022/07/08 16:22:20] Roxy Chronotis (Roxy Christenson): How I see that working, for example, is the Build Leads get together all the applications, filter thru them, pull out the best ones and present them to the committee. That's the lead's job...

[2022/07/08 16:22:35] Píxí (Destimona): that's not a bad idea roxy

[2022/07/08 16:22:41] Ito Naminosaki: and whoever is Council member, they need to have everytime a propper just in time communication

[2022/07/08 16:23:15] Ariadne Fall: yeah, more and redundant comms

[2022/07/08 16:23:25] Ariadne Fall: all the ways to play

[2022/07/08 16:24:40] Melina Firehawk: This also ties into communication, but we need one source of truth when it comes to our online documentation as well. There should be only one owner of the folders that contain our forms, Google Docs, Sheets, etc. We had to create a new one due to sabotage 2 years ago, but not all of the documents are being created in the new folder which means not everyone has the proper access

[2022/07/08 16:25:07] Roxy Chronotis (Roxy Christenson): oh documentation is a whole other topic for me. LOL.

**[2022/07/08 16:25:55] Ariadne Fall: ALERT! INTERRUPTION ALERT!**

**[2022/07/08 16:25:57] Ariadne Fall: can we hold up for one moment please.....**

**FORMATION OF COUNCIL can we get a quick sound off if you want one and why**

**[2022/07/08 16:26:34] Ariadne Fall: yes I want a committee, I want the protection of group decision**

**[2022/07/08 16:26:56] Πίξι (Destimona): we dd ths already**

**[2022/07/08 16:27:01] Πίξι (Destimona): but**

**[2022/07/08 16:27:04] Πίξι (Destimona): yes**

**[2022/07/08 16:27:06] Ariadne Fall: I want an official record please**

**[2022/07/08 16:27:19] Ariadne Fall: real quick**

**[2022/07/08 16:27:24] Νία ΑΤΡΕΙΔΕΣ (Nia Voxel): I say AYE**

**[2022/07/08 16:27:30] Kirk Tiberius Wingtips (Kirk Wingtips): also not right to do that when not everyone is here, Star, Zorina are not here for their opinions**

**[2022/07/08 16:27:38] Ariadne Fall: I will ask them later!**

**[2022/07/08 16:27:47] Ariadne Fall: we'll see what we all say**

**[2022/07/08 16:27:49] Πίξι (Destimona): majority rules here tho**

**[2022/07/08 16:27:57] Ariadne Fall: I want it on the record**

**[2022/07/08 16:27:59] Πίξι (Destimona): cause if we all say yes and theres three nos or four**

**[2022/07/08 16:28:03] Ariadne Fall: we say**

**[2022/07/08 16:28:08] Πίξι (Destimona): no one here has more power then the other**

**[2022/07/08 16:28:19] ΑΥΔΑΗ ΣΤΡΟΪΑΜ ΒΣΗ ΓΩΣΛΤ (Stormy Zephyr): which would be an example of not wanting to wait 4 days for an answer and possible have the question ignore, reason for council**

**[2022/07/08 16:28:21] Mr. Senet (Senet Blackburn): Yes, I have thought we needed one for a while now. No decision should be left to one or even two people. We all have too much going on in our lives to have to wait on a decision. Also a council will reflect what the convention booth owners and attendees want out of the experience better than any one of us can.**

**[2022/07/08 16:28:25] Roxy Chronotis (Roxy Christenson): Yes. This needs run like a business. A board of directions, who as a whole, make a decision on what's best. One person in charge, for an event this large, is insane.**

**[2022/07/08 16:28:29] Cody Chronotis (Cody Conundrum): I say the council needs to happen, two people cannot be responsible for all major decisions, it holds too many things up.**

**[2022/07/08 16:28:38] Píxí (Destimona): Yes**

**[2022/07/08 16:28:43] Píxí (Destimona): what they said**

[2022/07/08 16:28:54] Melina Firehawk: I would say yes to a committee/council, but vet those that will be on it independently of this meeting

[2022/07/08 16:28:55] Píxí (Destimona): and they kew about the meeting

[2022/07/08 16:29:05] Píxí (Destimona): so there is no reason for them to not be here

[2022/07/08 16:29:06] Ariadne Fall: yes, and yes, and YES

**[2022/07/08 16:29:13] Píxí (Destimona): so I veto their votes**

**[2022/07/08 16:29:18] Ariadne Fall: lol**

**[2022/07/08 16:29:23] Píxí (Destimona): just saying**

**[2022/07/08 16:29:25] Kirk Tiberius Wingtips (Kirk Wingtips): so sounds like your really the one who's in charge**

**[2022/07/08 16:29:29] Píxí (Destimona): they had plenty of notice**

**[2022/07/08 16:29:35] Kirk Tiberius Wingtips (Kirk Wingtips): if you can veto stuff lol**

[2022/07/08 16:29:36] Píxí (Destimona): some of us even put off our dnnr hours

[2022/07/08 16:29:58] Píxí (Destimona): our problem with con is its so one set of rules for one group one set for the other

[2022/07/08 16:30:00] Píxí (Destimona): and that has to stop

[2022/07/08 16:30:05] Kippy Numbers (Kiptin): yes for quicker cross communication before and during the convention, and for a variety of other reasons,also i think would lessen the chance of abuse of power and create better oversight

[2022/07/08 16:30:27] Píxí (Destimona): we all made it

[2022/07/08 16:30:35] Píxí (Destimona): we all adjusted our schedu7les for it

[2022/07/08 16:30:42] Píxí (Destimona): even planned around it

[2022/07/08 16:30:49] Píxí (Destimona): so why should the rules change for star and zorina

[2022/07/08 16:30:51] Roxy Chronotis (Roxy Christenson): <--- sat here and crunching in Cody's ear while eating salad

[2022/07/08 16:31:52] Roxy Chronotis (Roxy Christenson): Is Star a member of the admin team? I never saw her at any meetings last year or help in Admin chat? Honestly, never met her.

[2022/07/08 16:32:10] Αγδαη Στσημ νση CΩσλϜ (Stormy Zephyr): she helped kirk run the hunt

[2022/07/08 16:32:22] Αγδαη Στσημ νση CΩσλϜ (Stormy Zephyr): and ran the ovies when kirk was not there

[2022/07/08 16:32:30] Píxí (Destimona): none of us really know what she does past hunts

[2022/07/08 16:32:41] Roxy Chronotis (Roxy Christenson): Ah, so more staff than admin then?

[2022/07/08 16:32:45] Píxí (Destimona): yes

**[2022/07/08 16:32:45] Ariadne Fall: yeah, we haven't quite officially formed the council/committee/board yet but its good to know where we all stand with each other... when we can get on the same page, we can accomplish anything**

[2022/07/08 16:32:49] Stabitha (What88 Zond): She was supposed to do some PR work

[2022/07/08 16:32:52] Stabitha (What88 Zond): but..

[2022/07/08 16:32:54] **Mr. Senet (Senet Blackburn):** The formation of a council is not an attack on any single person on this team. It is pragmatic and the only way to really move forward. Considering the size that our convention has become. It is too much for anyone to take on.

[2022/07/08 16:33:16] **Píxí (Destimona):** and the amount of damage control will take a solid team

[2022/07/08 16:33:49] **Kirk Tiberius Wingtips (Kirk Wingtips):** so since this is being forced on, what do i tell Sting, since im now a figure head, will need to keep them up to date

[2022/07/08 16:34:31] **Píxí (Destimona):** you still represent con to acs and tell them there's a council being formed because its grown to big and you still have work

[2022/07/08 16:34:54] **Ariadne Fall:** how is the new committee really that different from the old committee, except for single veto power>

[2022/07/08 16:34:58] **Ariadne Fall:** ???

[2022/07/08 16:35:01] **Roxy Chronotis (Roxy Christenson):** That answer is quiet simple and obvious. The con has increased in size and we need more people to help make it function. All in how you say something. Looking at it negatively, doesn't help.

[2022/07/08 16:35:34] **Ariadne Fall:** & I would ask YOU Kirk, who do you want to go to the ACS meeting... and what would you like the team to prepare for that?

[2022/07/08 16:35:55] **Ito Naminosaki:** first of all, i not noticed big issues in my limited SL Time at Con this year. Just thanks for all helping hands everywhere. Becasue of my own long year expereince at a small RL Convention , i think a Committee/Council is a good idea to carry all the responsibilities and work not on one pair of shoulders. So, here is a yes from me

[2022/07/08 16:37:13] **Píxí (Destimona):** We have a base on whose on the council

[2022/07/08 16:37:22] **Píxí (Destimona):** but there's still room for more people

[2022/07/08 16:37:26] **Kirk Tiberius Wingtips (Kirk Wingtips):** and who is that that you've decided

[2022/07/08 16:37:47] **Píxí (Destimona):** the admins who have been with con and helped it get through ths last year

[2022/07/08 16:37:55] **Píxí (Destimona):** because without them we wouldn't be here

[2022/07/08 16:38:06] **Ariadne Fall:** I would propose Board/Council/Committee can be formed from prior members and/or anyone who volunteered for and completed project work in the previous year.

[2022/07/08 16:38:16] **Ariadne Fall:** As in publicly put their name to something did the work and delivered, if they haven't done that they don't yet understand the Job we are asking them to do.

[2022/07/08 16:38:50] **Ariadne Fall:** i have a list, its probably missing some names

[2022/07/08 16:39:05] **Stabitha (What88 Zond):** Got to run

[2022/07/08 16:39:11] **Stabitha:** left chat range.

[2022/07/08 16:39:15] **Ito Naminosaki:** ~\*\*~POOF~\*\*~

[2022/07/08 16:39:23] **Ito Naminosaki:** ~\*\*~UNPOOF~\*\*~

[2022/07/08 16:39:32] **Fil Rowans (Yark):** bye stabby

[2022/07/08 16:39:55] **Mr. Senet (Senet Blackburn):** I agree, part of the "vetted" has to most certainly be that they saw through and completed a project.

[2022/07/08 16:40:49] **Píxí (Destimona):** in the way I'd say past years count as well

[2022/07/08 16:41:04] **Ariadne Fall:** of course! returning members

[2022/07/08 16:41:08] Píxí (Destimona): some peoples rl schedules got crazy this year

[2022/07/08 16:41:16] Píxí (Destimona): new and old members

[2022/07/08 16:41:24] Píxí (Destimona): would give us the best balance

[2022/07/08 16:41:30] Ariadne Fall: its odd this first formation, how do we define "returning"

[2022/07/08 16:41:48] Ariadne Fall: but 'has done the work' is a big qualifier

[2022/07/08 16:42:02] Mr. Senet (Senet Blackburn): /me nods

**[2022/07/08 16:42:06] Píxí (Destimona): I'd call Melina Returning as she's done a lot of work but this year her schedule was insane**

**[2022/07/08 16:42:39] Píxí (Destimona): I'd call Roxy and Cody new because last year was their first but they held through to the end no matter the crazy that happened**

**[2022/07/08 16:42:42] Ariadne Fall: she's on my list for consideration, of course**

[2022/07/08 16:43:22] Melonny (Melonnyvix): I think we all get that First Life is going to make demands, but I have to say, if you can't commit the time to take on the task, should you be taking it on?

[2022/07/08 16:43:32] Fil Rowans (Yark): these are good donuts!

[2022/07/08 16:43:42] Píxí (Destimona): lol fil lol

[2022/07/08 16:43:49] Píxí (Destimona): and Melonny you're right

[2022/07/08 16:44:25] Mr. Senet (Senet Blackburn): Of course, it's the follow through that we need to see from a potential council member. Too many of us have had to do too many jobs last minute due to no follow through. It really is the defining factor.

[2022/07/08 16:44:56] Píxí (Destimona): so far in the council discord we have Cody Roxy myself Melina Ari Creed and Mr Senet and Pukey McUpChuck

[2022/07/08 16:45:07] Ariadne Fall: lol

[2022/07/08 16:45:10] Píxí (Destimona): so those are the base members that were already formed

**[2022/07/08 16:45:52] Píxí (Destimona): We have Kirk of course**

**[2022/07/08 16:46:01] Mr. Senet (Senet Blackburn): And that doesn't just mean "last convention" necessarily. We tend to get in a mode where we are excited about an untried person on the sole basis that "omg I can't believe we got them"**

[2022/07/08 16:46:16] Píxí (Destimona): the remainder of the who is up for vote

[2022/07/08 16:46:27] Ariadne Fall: my list...

[2022/07/08 16:46:32] Kirk Tiberius Wingtips (Kirk Wingtips): so Zorina is base member?!

- [2022/07/08 16:46:40] Kirk Tiberius Wingtips (Kirk Wingtips): \*is not base member?
- [2022/07/08 16:46:44] Їяѳѳ ѵѳ ѴѴѴѴ (Creed Crowley): You didn't list Aydan who did a bit of everything
- [2022/07/08 16:47:03] Ito Naminosaki: >O.o< HUH ??
- [2022/07/08 16:47:23] Melonny (Melonnyvix): And if you did want to help with someone or something, you usually got a lot of silence
- [2022/07/08 16:47:24] Ariadne Fall: Stormy is on the MAIN list... mine
- [2022/07/08 16:47:32] Říxí (Destimona): Melonny

[2022/07/08 16:49:42] Píxí (Destimona): Crai didn't complete his project

**[2022/07/08 16:50:11] Roxy Chronotis (Roxy Christenson): Which was?**

**[2022/07/08 16:50:25] Píxí (Destimona): we were told website?**

**[2022/07/08 16:50:49] Píxí (Destimona): and that it wasn't finnished?**

**[2022/07/08 16:50:58] Píxí (Destimona): this is just what we were told**

**[2022/07/08 16:51:00] Roxy Chronotis (Roxy Christenson): The website was told to be stopped working on... when Zorina set up her own... it created issues.**

**[2022/07/08 16:51:09] Cody Chronotis (Cody Conundrum): The website was mostly done and then Zorina tried to hijack it by buying a domain**

[2022/07/08 16:51:14] Píxí (Destimona): imagine that

[2022/07/08 16:51:23] Roxy Chronotis (Roxy Christenson): He couldn't finish it.

[2022/07/08 16:51:35] Tori (Tori Landau): I need to go too - way past my bedtime °° I wish all of you the best with the changes you are planning to make :)

[2022/07/08 16:51:51] Kippy Numbers (Kiptin): take care, Tori :)

[2022/07/08 16:51:52] Ariadne Fall: i think Crai worked hard in 2022, & yeah he can't be solely blamed for the website's shorcomings

[2022/07/08 16:52:00] Roxy Chronotis (Roxy Christenson): She directed her site.... to the existing one, without saying a word. It created issues... it's not as simple as just redirecting a page.

[2022/07/08 16:52:11] Tori (Tori Landau): Night °°

[2022/07/08 16:52:18] Ariadne Fall: but he's current in the "hell naw" list for 2023

[2022/07/08 16:52:20] Píxí (Destimona): hugs tori

[2022/07/08 16:52:25] Tori: left chat range.

[2022/07/08 16:52:52] Píxí (Destimona): I can't blame him lol

[2022/07/08 16:53:01] Ariadne Fall: lol

[2022/07/08 16:53:04] Ariadne Fall: right?

[2022/07/08 16:53:20] Píxí (Destimona): I think stabby wanted to do a region or something

[2022/07/08 16:53:30] Mr. Senet (Senet Blackburn): Heck I was on the hell naw list..... and still a little bit am. :)

[2022/07/08 16:54:00] Píxí (Destimona): lets face it

[2022/07/08 16:54:25] Ariadne Fall: ha!

[2022/07/08 16:55:07] Píxí (Destimona): Kirk what say you

[2022/07/08 16:55:29] Ariadne Fall: no one is tasked with anything currently, that's a blessing as much as a curse!

[2022/07/08 16:55:33] Ariadne Fall: ...I was going to ask Stormy about the Map Registrations, did I hear that she wants to run those next time?

[2022/07/08 16:56:07] Melonny (Melonnyvix): I haven't decided whether I want to help with building a region, or just jumping in with both feet. I'm stilling looking at what my time commitments are going to be over the coming year.

[2022/07/08 16:56:16] Ariadne Fall: I thought Kirk had already agreed to form a committee, and wanted to have a meeting to work out the specifics... but I've thought that before

[2022/07/08 16:56:26] Ariadne Fall: /me smirks

[2022/07/08 16:56:41] Píxí (Destimona): wait so this has been tried and failed?

[2022/07/08 16:56:55] Ariadne Fall: no

[2022/07/08 16:56:59] Píxí (Destimona): or tried and refused

[2022/07/08 16:57:21] Ariadne Fall: its been tried and succeeded, as demonstrated by replacing the build for Eco-tech

**[2022/07/08 16:57:51] Ariadne Fall: as I see it, we are only eliminating the single veto that got us in trouble**

**[2022/07/08 16:58:06] Ariadne Fall: is that wrong?**

**[2022/07/08 16:58:29] Píxí (Destimona): well depends**

**[2022/07/08 16:58:31] Ariadne Fall: /me grins**

**[2022/07/08 16:58:58] Píxí (Destimona): the single veto seems to be what no one will let go of**

**[2022/07/08 16:59:04] Píxí (Destimona): even tho its a hinderance**

[2022/07/08 16:59:45] Ariadne Fall: in all honesty, I personally defied the committee in 2022... and kept "favorite region" in the vote

[2022/07/08 16:59:52] Ariadne Fall: /me shrugs

[2022/07/08 17:00:11] Ariadne Fall: but I am absolutely willing to toe the party lie going forward

[2022/07/08 17:00:19] Ariadne Fall: toe? tow?

[2022/07/08 17:00:22] Ariadne Fall: whatevs

**[2022/07/08 17:00:23] Kirk Tiberius Wingtips (Kirk Wingtips): im not entirely convinced, ups and downs, sure, but also has problems, more infighting, people forcing their way, why you think we lost security for years, few other things that has backfired with similar things**

**[2022/07/08 17:00:43] Ariadne Fall: if we have to vote, we have to vote**

**[2022/07/08 17:00:43] Píxí (Destimona): well from what I've seen**

**[2022/07/08 17:00:52] Píxí (Destimona): this year**

**[2022/07/08 17:01:03] Píxí (Destimona): we can't do again and the council's the best bet**

**[2022/07/08 17:01:14] Píxí (Destimona): I know you don't want to give up the power**

**[2022/07/08 17:01:18] Píxí (Destimona): Cons your baby**

**[2022/07/08 17:01:24] Ariadne Fall: right, lots of infighting and backstabbery... and sneaky sneaky behind the scenes crap**

**[2022/07/08 17:01:26] Píxí (Destimona): but your still chair**

**[2022/07/08 17:01:45] Píxí (Destimona): you stll have your face of con**

**[2022/07/08 17:01:53] Ariadne Fall: the veto rule is a big part of our problems**

**[2022/07/08 17:02:09] Píxí (Destimona): We are refusing to work under a dictatorship where there's no comunication**

[2022/07/08 17:02:28] **Píxí (Destimona):** and I don't care if Z heres what I said or not she's also part of the problem

[2022/07/08 17:02:31] **Ariadne Fall: Queen Zorina & her consort King Kirk**

[2022/07/08 17:03:10] **Kirk Tiberius Wingtips (Kirk Wingtips):** and you'd be the first person to successfully kick me out of that position, as many have tried in the past, so you have to understand my skeptical too, multiple people have tried to take over do things their way, you come along and you get everyone on board for your way

[2022/07/08 17:03:32] Ariadne Fall: no one is kicking anyone out

[2022/07/08 17:03:36] **Píxí (Destimona):** Kirk I'm there for you all the time

[2022/07/08 17:03:37] **Ariadne Fall: why do you go there?**

[2022/07/08 17:03:47] **Píxí (Destimona):** no ones trying to take con

[2022/07/08 17:03:52] **Píxí (Destimona):** we want whats best for con

[2022/07/08 17:03:55] Ariadne Fall: we are YOUR TEAM! are you going to support us or what?

[2022/07/08 17:04:12] **Píxí (Destimona):** the lack of support also killed us

[2022/07/08 17:04:34] **Ariadne Fall: Zorina was too happy to have the veto power, and not as interested in protecting the convention... the group thing is burned in my brain, so many people asked her to slow down and give us a chance to figure it out**

[2022/07/08 17:04:54] **Ariadne Fall: she knew best, and she hurt the con**

[2022/07/08 17:05:09] Cody Chronotis (Cody Conundrum): Which group thing? Is that why everybody is in the staff group?

[2022/07/08 17:05:24] **Ariadne Fall: "because I said so" ...that's not a good reason, we aren't children**

[2022/07/08 17:05:31] Cody Chronotis (Cody Conundrum): Because that was an incredibly stupid decision and she needs kicked in the dick

[2022/07/08 17:05:54] Ariadne Fall: exactly, the Staff Group Debacle

[2022/07/08 17:06:01] **Kirk Tiberius Wingtips (Kirk Wingtips): once we get working on the next one, staff group is being cleared out, and we'd be using a proper exhibitor / land group going forward**

[2022/07/08 17:06:38] Roxy Chronotis (Roxy Christenson): I'm just confused.. how after 13 years.... did the 14th year that happen?

[2022/07/08 17:06:42] Ariadne Fall: I am not signing up to help do anything until we work this out.... ZORINA is not the Boss of the Con

[2022/07/08 17:07:14] Cody Chronotis (Cody Conundrum): I personally would like solid proof she did anything useful last year.

[2022/07/08 17:07:29] **Ariadne Fall: & she isn't allowed to IM people and just DEMAND their time right then when its convient for her**

[2022/07/08 17:07:31] **Píxí (Destimona):** I have a chat full of nap proof

[2022/07/08 17:07:38] Ariadne Fall: she did that to EVERYONE

[2022/07/08 17:07:44] **Mr. Senet (Senet Blackburn):** We are and honestly since you took over from Ntanel never have been, trying to kick you out. But you have to realize that many of us had a lot put on our shoulders to make this year happen. Zorina talking people that she spoke for you and that we need to stop talking about topics that came up, Not to mention a few other coice comments in your name just made things really

**difficult. We can't have any one person in charge with overall veto of everything anymore.**

[2022/07/08 17:07:58] Píxí (Destimona): yeah we can't take con

[2022/07/08 17:08:03] Píxí (Destimona): you gave it to zorina

[2022/07/08 17:08:04] Píxí (Destimona): :D

[2022/07/08 17:08:08] Ito Naminosaki: the Sci-Fi Con- group is proper enough as Exhibitor/Land group i think

[2022/07/08 17:08:26] Kirk Tiberius Wingtips (Kirk Wingtips): she also been part of the con for alot of the con's since 2009

[2022/07/08 17:08:33] Ariadne Fall: I worked with Nat & I worked with you all these years Kirk.... I stepped DOWN when my schedule didn't permit and came back when it did

[2022/07/08 17:08:57] Píxí (Destimona): let me ask you something

[2022/07/08 17:09:04] Píxí (Destimona): can you and zorina do all of our jobs

[2022/07/08 17:09:06] Mr. Senet (Senet Blackburn): As have I since the beginning. I have never told people that they need to listen to me and only me on any occassion.

[2022/07/08 17:09:22] Ariadne Fall: why is Zorina my Boss all the sudden, what gives her or ANYONE the right to demand my time?

[2022/07/08 17:09:30] Ariadne Fall: I donate my time

[2022/07/08 17:09:36] Ariadne Fall: it has value to ME

**[2022/07/08 17:09:38] Píxí (Destimona): Well as I said no one can take con**

**[2022/07/08 17:09:48] Píxí (Destimona): he gave it away easily**

**[2022/07/08 17:09:51] Píxí (Destimona): to the NapQueen**

**[2022/07/08 17:09:52] Ariadne Fall: Zorina can take it, and kill ut**

**[2022/07/08 17:09:53] Roxy Chronotis (Roxy Christenson): Just because someone's been part of something for a long time, doesn't mean that they automatically just get a free pass. They don't have tenure... that's not how this works. Are they good to bounce ideas off of? Sure. But to say they belong there JUST because they've done it, is not that right outlook.**

**[2022/07/08 17:10:38] Kirk Tiberius Wingtips (Kirk Wingtips): I never gave the con to Zorina or anyone**

[2022/07/08 17:10:42] Ariadne Fall: & amost more importantly.... why is ZOrina allowed to tell me to shut up?

[2022/07/08 17:10:46] Cody Chronotis (Cody Conundrum): Seniority doesn't equate to good leadership skills. Experience does.

[2022/07/08 17:10:55] Roxy Chronotis (Roxy Christenson): The saying "it's because we've always done it this way" is the single most destroying thing anyone can say.

[2022/07/08 17:11:13] Ariadne Fall: yeah, we need a change from how it was in 2022

[2022/07/08 17:12:00] Ariadne Fall: Zorina says she "speaks for Kirk" ...that's her line

[2022/07/08 17:12:07] Roxy Chronotis (Roxy Christenson): YUP

[2022/07/08 17:12:22] Mr. Senet (Senet Blackburn): And you know me Kirk, I have voiced my opinion many times and still executed things the way they were decided. Zorina didn't even allow discussion. It reflected bad on you tbh.

[2022/07/08 17:12:33] Melonny (Melonnyvix): Yes, do we really want to run around like headless chickens in the two weeks before the con, again?

[2022/07/08 17:12:37] Ariadne Fall: I reject her authority over me, my time is MINE & we can ask nicely if we can share that

[2022/07/08 17:12:47] Ariadne Fall: its TIME

[2022/07/08 17:12:55] Ariadne Fall: /me smirks and shakes her head

[2022/07/08 17:13:40] Roxy Chronotis (Roxy Christenson): You almost lost me the day after the discord was setup because she talked to me like I was a dog. Someone she had barely met, who just missed 3 hours of work to set up a Discord for the group...

[2022/07/08 17:14:16] Ito Naminosaki: O.o.

[2022/07/08 17:14:59] Ariadne Fall: not to sound like the classic raised by hippies kid... I want a positive team, an enriching experience for all of us, we do something good... we deserve to have respect and enjoyment

[2022/07/08 17:15:52] Kippy Numbers (Kiptin): yes :) i was there every day all day in chats with many of you, but not all of you, and as successful as it was on the surface, i just think there needed to be better communication \*across\* the whole "team" of helpers, no matter their skills and talents, \*for\* the sci-fi community as a whole and as an RFL/ACS event

[2022/07/08 17:15:58] Melonny (Melonnyvix): Which honestly doesn't sound that bad

[2022/07/08 17:16:09] Cody Chronotis (Cody Conundrum): Truth be told, in my opinion, Kirk, I don't really know you, it would have been nice to get to know you and work with you during con but it didn't work out, thats fine, as for Zorina, she's brash, doesn't work as a team, acts as though she is holier than thou. She wouldn't even bring up basic things into any staff chats on what we should do about groups or parcel media or parcel settings, it was all loosely communicated very badly

[2022/07/08 17:16:27] Cody Chronotis (Cody Conundrum): So if you were to ask me I don't think Zorina should be allowed to manage anything.

[2022/07/08 17:16:31] Cody Chronotis (Cody Conundrum): But I'm just the new guy

[2022/07/08 17:16:52] Roxy Chronotis (Roxy Christenson): /me points up "this"

[2022/07/08 17:17:10] Ava Bloodrose Delaney (Ava Bloodrose): Well this has been very interesting to hear, you've covered a lot of the questions I had, but now I have to be off. You missed your dinners, I'm missing my bed, it's 1 am here :)

[2022/07/08 17:17:34] Mr. Senet (Senet Blackburn): Nite Ava

[2022/07/08 17:17:41] Ariadne Fall: g'night! sweet dreams

[2022/07/08 17:17:42] Kippy Numbers (Kiptin): take care, Ava
