[2022/06/08 13:39:29] Ava Bloodrose Delaney (Ava Bloodrose): Thanks for getting back to me, I was just trying to get an opinion from the organisers side of things, a few questions, but since Kirk hasn't responded to me it might be rather one-sided. [2022/06/08 13:47:32] Merchant1: ye, there was a bit of lack in organization, no real timeline for us to know when actual deadlines were, I asked and got 3 different answers. The other thing was that at the beginning, me and many others got the wrong group so we were not able to get into the sims. It was my first time joining this event, I tought it would be similar to fantasy faire, but it really wasn't x_x
